

OMEGA APARTMENTS

46-58 Derby Street, Kingswood

“It has been a first-time experience working with Fast Tread® and the team on our Kingswood project. I have found the complete process from shop drawings to installation of handrails to be smooth and problem free. Fast Tread® have shown commitment and professionalism in their work as well as supplying a product that makes life easier on site, not to mention how much better the stairwells look! Due to the trouble-free experience with Fast Tread® they have become our number 1 supplier of staircases.”
